Germany Legalization Instructions

Corporate and Personal Documents must have an original signature and be attested to by a notary public. Public documents, such as birth and marriage certificates, must be certified copies issued by a government office. Estimates presume that documents are received in good order and in adequate time. Prices and requirements are subject to change without notice. By sending your documents to Perry International, you accept and agree to the terms and conditions listed on our web site's policy page.

Germany recognizes a certification called an Apostille. This is issued by the Secretary of State from the state where the notary resides. The Secretary of State fee and processing time vary from state to state. Our service charge is \$35 per document and there is a fee of \$25 to Federal Express the document back to you. If the document is from a state other than Illinois there will be an additional charge of \$40 to get the document to and from the Secretary of State.

Please complete and include our order form with your order. All personal orders must include a credit card number for billing.
